

trwaUSD & trwaUSDi Vaults

Proof of Reserve vaults for **rwaUSD** and **rwaUSDi**, the RWA-backed stablecoins issued by **Multipli** — verifiable reserves today, RWA stablecoin yield from future strategies.

trwaUSD Vault

RETAIL-FACING

Deposit asset: **rwaUSD**, issued by Multipli and backed by USD stable assets. trwaUSD is the stable-pegged LP vault receipt token.

trwaUSDi Vault

INSTITUTION-FACING

Deposit asset: **rwaUSDi**, issued by Multipli and backed by private credit assets. trwaUSDi is the stable-pegged LP vault receipt token.

WHAT THE VAULTS DO

Proof of Reserves

On-chain, verifiable reserves for the underlying rwaUSD and rwaUSDi assets.

RWA Stablecoin Yield

Accrues RWA stablecoin yields from future strategies.

DeFi Composability

Stable-pegged trwaUSD / trwaUSDi unlock borrow-lend collateral, yield-bearing stablecoin assets and more for RWA holders and managers.

UNDERLYING ASSETS — MULTIPLI'S rwaUSD

rwaUSD is a credit-backed stablecoin minted against eligible tokenized real-world assets — liquidity you borrow while keeping exposure to the underlying asset. An **unwind module** lets underlying assets be redeemed seamlessly, without relying on DEX liquidity.
